Driver Education: Please have your student bring a pen/pencil and paper for taking notes (all other materials are included). A lunch break is provided each day of the class, usually between 12-1pm. Students are welcome to eat lunch in the classroom or leave the facility to get something to eat. (Note: Taco Bell, Chipotle, McDonalds and many other food establishments are within walking distance from our classroom).

Driver Training: We recommend that your student bring a pen and note pad to every session. At the end of every session, their instructor will review grades with them - at that time they may take notes on what they learned, as well as anything that their instructor would like them to focus on between lessons. Please use these notes to repetitively practice what was taught in each lesson. When student has completely grasped concepts taught in a lesson, please call our office to schedule the next lesson. Additional lessons are available and may be added – these lessons will be customized to meet the students needs (call our office to inquire about this service).

*** \$50 Administration fee for incomplete Driver Education / Driver Training. Cancellation of Driver Training (Behind-the-Wheel) appointment(s) must be made 24 hrs. prior to scheduled appt. Failure of 24 hr. notice will result in \$40 cancellation fee. ***

Thank you for the privilege of allowing us the opportunity to embark on teaching your student the very important discipline of safe driving!! Please feel free to contact us at (925) 743-TVDS if you have any questions.
